Dear Resident

### **B1116 Harleston Hill – Rumsey’s Arch – Bridge Works – 14 – 17 June 2019**

We will be carrying out bridge repair works to Rumsey’s Arch, over the B1116 Harleston Hill, Fressingfield. This work is necessary to rebuild and reconstruct the brickwork parapet.

The work is planned to start on Friday 14 June 2019 at 8pm and will continue over the weekend until Monday 17 June 2019 at 6am. The times and dates of works may change depending on the weather conditions. If they do change, we will let you know by updating the information signs on site.

The section of the B1116 Harleston Hill, Fressingfield that runs under the bridge will be **temporarily closed to through traffic for 24 hours continuously**. There will be **no access** for pedestrians and cyclists through the works site for the duration of the closure.

During the period of the closure, traffic will be diverted via:

Harleston Hill B1116 - Laxfield Road B1116 - Laxfield Road B1117 - Queen Street B1118 - Chickering Road B1118 - Lower Oakley B1118 - A140 - Bungay Road A143 - Wells Lane - Harleston Hill B1116 and Vice Versa

These temporary traffic management measures are required to allow the works to be carried out safely and in accordance with current Health and Safety guidelines. Please see the information over the page for more details of how access to your property will be affected by the works, as well as other frequently asked questions. If you have any other questions about the work, please call us on: 0345 606 6171.

Once we have completed the works, it would be helpful if you could take a few moments to complete a short survey at [www.suffolk.gov.uk/suffolk-highways-survey](http://www.suffolk.gov.uk/suffolk-highways-survey). Your answers will help us improve our service in the future.

Yours faithfully

Suffolk Highways

## **Frequently asked questions:**

### **You have said that my road will be closed. Will I still be able to get in and out of my property?**

Yes, the majority of the time you will be able to. When the road is closed, staff on site will be able to make sure that you can get through safely.

If we are working directly outside your property, we will do everything we can to make sure that you still get in when you want to. However, if, for example we are digging up the road or path right outside your property, there may be periods of around 15-20 minutes when you may temporarily not be able to get in or out.

### **What about access for other services including emergency services?**

We notify the emergency services, local bus operators and councils for bin collections. If an emergency vehicle needs to get in, access would immediately be made available.

### **I run a business – how will people know if it is open?**

We know it's important customers are aware businesses are open, so where appropriate we will put up notices or display signs saying 'Businesses open as usual'.

### **Will the works be noisy?**

The nature of roadworks and the equipment that we use, means that works can be noisy. We will do everything we can to keep noise to the minimum possible.

### **Will works definitely start on the date in your letter?**

We plan roadworks in advance, so to take into account bad weather or other delays, we give dates that cover the range of days that we could be on site (with a few extra days planned in just in case). If we need to make major changes to the dates of works, we will let you know and update the information boards on sites.

### **Why is there a long diversion in place?**

When we close a road and put a diversion in place, it needs to be a route that can be accessed by all shapes and sizes of vehicles. We make the diversion as clear as possible, but people may choose to use other local roads.

### **The works have finished. Why have signs and barriers been left behind?**

Sometimes we need to leave sites with barriers around them so that new surfaces can finish drying off. Often our teams are scheduled to collect the signs at a later date. Occasionally we may leave signs behind by mistake, so if you do see them more than two weeks after we have finished give us a call and we will come and collect them.
