

After my report last year in June, the Art Club continued to thrive with art sessions in member's gardens, which were enjoyed by all with the very warm weather conditions and continued on until the next lockdown. Once again we had to continue our work on line and a very good variety of paintings have been added to the Art Club Lockdown Album. I'm pleased to send a selection alongside this report for the meeting.

We are now waiting for warmer weather to enjoy outside painting again as restrictions are lifting, and hopefully later in the year we will once again be allowed to meet up inside and return to normal.

Ann Jones
Chairman
