

Fressingfield Sports & Social Club Darts Team Report

Like most darts leagues across the country, our league was cancelled in March 2020 due to the Covid restrictions which were imposed. Last summer the following season was also cancelled due to the ongoing restrictions. The F.S.S.C has also been closed for the vast majority of this time meaning that in the past 13 months the darts team has only been all together for two weeks when government guidance allowed the club to open!

Although some of us have been able to continue playing on boards at home and have ventured into the world of virtual darts using Facetime, this has really not been the same and the entire team are looking forward to once again being able to continue with our darts nights at F.S.S.C hopefully in the not too distant future.

In the past week the darts league have announced their intention to hos their AGM in August or September with the hope of being able to start the league season this Autumn. Decisions will be made on the format of the league & matches and the size of teams which no doubt will change as with most other things in the past 12 months. Obviously all of this is subject to government guidance allowing this to go ahead.

We're always welcome to new players, whether you're an experienced dart player or wanting to give the sport a try for the first time. The league season usually runs from September to the following March with teams in the Haleswort-Beccles area, although the team can be found in normal times at F.S.S.C every Friday night. Of all the teams in the league we may not win the most games, but we have the best and most enjoyable nights out! If anyone is interested in joining then please contact me.

Jimmy Long
Captain of Fressingfield Sports & Social Club Darts Team
