

FRESSINGFIELD TENNIS CLUB

REPORT FOR THE PARISH COUNCIL MEETING 22.4.21

We are looking forward to the 2021/22 season - indeed, we're even having the Courts cleaned in readiness for return to play, following the Government's easing of the Lockdown restrictions from 29th March!

Due to the Covid19 restrictions last year we had to close the courts, however we gained some new members who were looking for an activity which was possible under the restrictions, once the courts reopened. There was limited social play during the last season, but we managed Coaching on Saturday mornings (when permitted). However, the League was cancelled, no Club night, Open day or summer holiday coaching for children took place.

We held our AGM on 11th March via Zoom, which was attended by Committee members and one new member.

Zoe Clark – Treasurer

Liz Taylor – Secretary.

We are due to hold a Committee meeting on 6th May, again via Zoom.

Aspirations for this season:

Our intention is to improve the facilities, due to healthy funds, by ensuring the courts are kept in good condition. Likely expenditure is new fencing, lighting and repainting.

When permitted, Club night will resume on Fridays and a Men's team will be entered into the League. Coaching will commence on April 17th.
