

Chair's Report Full PC Meeting 040521

For Information:

1. Thanks to everyone in the Parish for their contributions to the Annual Parish Meeting. Clearly resourcefulness is flourishing in Fressingfield as groups continue with their plans for 2021 and onwards. We look forward to enjoying activities as they begin again.
2. Thank you to Councillors and Clerk for their support during the last Parish year.

For Clarification:

Lobbying

- It is common for Parish Councillors to be approached by Parishioners with concerns and views about on-going issues in the Parish, planning matters or wider concerns. These may be emails, phone calls or face to face contact.
- Any contact should be referred straight a way to the Clerk. He will respond appropriately to the person concerned. Please acknowledge the contact and tell the person concerned that this is what will happen.
- Sometimes, particularly over planning matters, Councillors are contacted with additional information or views after the Council has made a decision. At this point it is helpful to encourage the parishioner to contact MSDC Planning or other relevant authority, themselves. MSDC and the CC will review all the comments not just the consultation with the Parish Council.
- It is also helpful to encourage people to come to Parish Council Meetings and speak in the public forum. That way we all hear views together.
