* Since 7 May local councils can no longer make decisions at virtual meetings. Fressingfield Parish Council decided it was unsafe to hold face to face meetings. Therefore, at its May 4 meeting the council adopted a scheme of delegation for decision making. This will be in force until July 20.

A series of Zoom surgery meetings will be held regularly when any parishioner is welcome to join councillors in discussions about any parish matter.

The planning committee meets only when there are matters to discuss.

Members of the public and press are welcome to attend all full council, committee and surgery meetings. A period of 15 minutes for members of the public to address the council is part of the agenda for full council and planning committee meetings.

Recording a meeting is permitted. Anyone wishing to do so should notify the clerk prior to the meeting so arrangements can be made. Recording of meetings must not disrupt the meetings.

Full details of the meetings, including agendas are published on the council's website and on the noticeboard in Church Street. This is done by the Thursday prior to the meeting.
