

## Use the NHS COVID-19 app

Using [the NHS COVID-19 app](#) helps stop the spread of the virus by informing you that you have been in close contact with someone who has since tested positive for COVID-19, even if you do not know each other. You can also use it to check in to venues with an NHS QR code and receive advice if there has been an outbreak. The app is free and easy to use and doing so can help you protect your loved ones and others.

The app also allows people to report symptoms and order coronavirus tests. To help protect yourself and others, [download and use the latest version of the NHS COVID-19 app](#).
